To: All Brick Pop Warner Dragon Coaches

From: 2ND Vice-President

Subject: Injury Reports

Please be advised that any time a participant under your supervision during a practice, game or organized Pop Warner function gets injured you must submit an injury report. Pop Warner has group insurance coverage for medical and hospital expenses. Said coverage is considered to be secondary, when there is any other valid and collectible coverage provided by the parent or guardians insurance.

These injury reports are to be kept with you at all times while you are coaching, if an injury is incurred please fill out the report and return it to me ASAP. This injury report will inform us and allow us to send the parent or guardian the proper insurance claim forms for them to submit. If a participant is injured and the proper forms are not submitted the secondary Pop Warner insurance will not be available for and charges incurred that the primary coverage does not pay. If you need more forms during the season please contact me.

**Thank you for your support,
Have a great season!**
